

Founded in 1866, Harlequin FC is a rugby club that is recognised around the world. The Club is a founding member of the RFU and boasts more presidents than any other club, as well as a healthy dose of international player's.

Harlequins are looking to recruit an experienced physiotherapist to lead the women's squad medical services. The club is looking for a committed, hardworking individual. The role will involve managing a junior therapist and working alongside the team's doctor. You will have access to the wider Harlequins medical team to assist with your professional development in order to support the demanding experience of working within this elite sporting environment.
